RE: Khmer New Year Sponsorship

Dear Community Leaders:

On behalf of the Cambodian community in the Santa Clara County, we would like to announce the commencement of the Khmer New Year 2008 Committee. Every year, the local Cambodian community comes together to plan and prepare for the annual Khmer New Year Celebration around mid April.

This year the Cambodian American Resource Agency, in collaboration with the San Jose Cambodian Buddhist Society and the Santa Clara County Cambodian Women's Association, will be celebrating the coming "*Year of the Rat 2552 B.E.*" on April 12, 2008 at the Milpitas Community Center located on 457 E. Calaveras Blvd., Milpitas, CA 95035.

New Year celebration is the biggest and most significant event for the Cambodian community and society everywhere. As this event is non-profit and for the community, we count on community leaders and local businesses to help underwrite a major portion of this important celebration in the Cambodian culture.

We need your support to make this event successful. Please help this cultural and community event with your generous sponsorship. Your sponsorship is tax deductible. As an event sponsor, we will include your business identity in our program brochure as well as add it to the CARA web page for the entire calendar year.

Should you have any questions or comments, please do not hesitate to contact us at 408-628-3898. Your help and sponsorship is truly appreciated.

Best Wishes,

Mr. Chanthoeun To & Miss Kara Uy  
Event Co-Chairs
